Daniel 9:22-23 And he informed *me*, and talked with me, and said, "O Daniel, I have now come forth to give you skill to understand. At the beginning of your supplications the command went out, and I have come to tell *you*, for you *are* greatly beloved; therefore consider the matter, and understand the vision."

- Who else was beloved by God and what do these two have in common?
- Was Daniel's prayer last week for skill and understanding?
